**MITCHELL SMT, SMA**

Facilities Technician

Orlando & Tampa Bay MSA's

LQ Property Management

## ABOUT GREG

Greg Mitchell is a highly experienced Facilities Manager who joined LQ Commercial Property Management with over thirty years of expertise in the field.

His extensive knowledge in building systems, preventive maintenance, and project management has been instrumental in ensuring the smooth and efficient operation of the properties under his care.

Greg's commitment to customer service and his dedication to staying updated on industry trends make him a valuable asset to LQ Commercial Property Management, ensuring the satisfaction of property owners, vendors, and tenants alike.

His passion for continuous learning and his active participation in industry conferences and networking events enable him to bring innovative solutions to the properties he manages, enhancing efficiency and reducing operational costs.

Greg's well-rounded approach to management greatly benefits each of his properties and their tenants, making him a highly skilled Facilities Manager with a wealth of experience in commercial property management.
