Property Manager  
Southwest Florida MSA  
LQ Property Management

## ABOUT JASON

Jason Swint is a seasoned Property Manager who joined LQ Commercial in March 2020, overseeing the day-to-day operations of commercial properties in Southwest Florida.

His extensive experience and certification in Community Association Management (CAM) have equipped him to effectively manage various property types, including retail, office, medical, and industrial.

Prior to his role at LQ, Jason spent over a decade as a professional golf instructor and coach, where he honed his skills in building lasting relationships and effective communication.

His transition to residential Real Estate saw him earn his Florida residential real estate license in 2016, further enhancing his ability to deliver exceptional experiences to clients.

Jason's commitment to surpassing expectations and fostering clear communication has made him a successful Property Manager, contributing to the improvement of his clients' bottom lines.

His dedication to leadership and personalized service has made him an invaluable asset to the LQ team, further solidifying the company's position as a leader in commercial management.
