Senior Marketing
Coordinator
Central Florida MSA

ABOUT CHRISTINA

Christina Brandes serves as the Senior Marketing Coordinator at LQ Commercial Orlando. Her primary responsibilities encompass the creation and management of listing files, development of maps and aerials, inventory management of signs, updates on social media platforms and the company website. Christina actively supports the marketing team in devising innovative strategies to enhance brand visibility and ensures the upkeep of the team's database.

Having amassed prior real estate expertise, Christina has also spent several years as the in-house Marketing & Design professional for the largest ambulance manufacturer in the country. During this tenure, she spearheaded diverse marketing campaigns, orchestrated the coordination of national trade shows, and elevated the company's social media presence through captivating graphics and video.

Christina holds an Associate of Science Degree in Graphic Design & Multi-Media from Valencia College with over a decade of experience in marketing, graphic design, social media management, and video editing.
