Established in April 2005, our successful business model expanded to offer Statewide service; hence a Tampa office was established in 2009 and, due to increased productivity and demand, Orlando opened in 2014.

In Spring 2019, LandQwest continued to saturate its Central, West Central and Southwest Florida markets by opening a fourth office in Naples, Florida.

In the Summer of 2023, LandQwest Commercial - and its affiliates - officially became known as "LQ Commercial" Real Estate Services.
